# June 2023

Based on 2022-2023 school year data, the following expectations were set for the 2023-2024 school year:

- ❖ Update supervision plans
- ❖ Operation Team reviews
- ❖ Building Administrator presence
- ❖ Bus Support
- ❖ PBIS
- ❖ Discipline Continuum of Support

# Fall 2023

## Operations team reviews:

- ❖ Customized team reviewed part of the operations of each building
- ❖ Provided feedback about optimizing operations around efficiency and safety
- ❖ Shared best practices across buildings

# First Semester Review

After the first semester, data was reviewed concerning physical altercations:

- ❖ Improvements ranged from no improvement in data to 60% improvement
- ❖ Some variances in data depending on locations (lunch, hallways, dismissal, etc)

# Evidence Based Best Practices

Based on what works in NWLSD, our best practices were identified and each building has been tasked with incorporating them into second semester operations:

- ❖ Staff in assigned locations
- ❖ Active supervision
- ❖ Established procedures for student movement
- ❖ 10-10 rule

# Communication

Buildings will send out communication reinforcing expectations and clarifying changes.
